FOR THE PARENTS

Summer Vacations are here. A few vital suggestions are listed below to make the vacations more exciting and fruitful than ever before:

- ✱ Keep at least half an hour a day for sharing experiences with your child.
- ✱ Encourage your child to speak in English. Fix one hour in a day when you communicate with your child only in English.
- ✱ Tell your child different stories regularly and encourage him to describe what he/she would do in a similar situation. Here are few suggested titles which you can read with your child.
 - a. Hare and the Tortoise
 - b. Emperor's New Clothes
 - c. Thumbelina
- ✱ Let your child colour, draw, paint, play with water and sand etc.
- ✱ Restrict his or her television watching, confining it to interesting children's programs, cartoon films, Discovery channel etc.
- ✱ To improve the formation of letters, make your child write a page every day.
- ✱ Develop self-help skills: Let your child dress and feed on his/her own.
- ✱ Make him understand the importance of cleaning his room and putting away toys and belongings after use.
- ✱ Take your child out for picnics and to other places of his/ her interest. Ask him/her to make a note of all the places he/ she visits and the things he/she sees so that he/she is able to discuss his/her experience in class after the vacation.

Have a nice time!
